Wood County *Addendum B*

I _____ have obtained the services of
(Landowner)

_____ from _____
(Certified Crop Advisor) (Business Association)

to prepare a Nutrient Management Plan to fulfill the requirement of the Wood County

Animal Waste and Manure Management Ordinance.

The Nutrient Management Plan will meet the Natural Resources Conservation Service Technical Standard 590. The plan shall be submitted to the Wood County Land Conservation Department no later than March 15th of the year following installation of a waste storage facility. This plan will be completed by _____.
(mm/dd/yy)

The Nutrient Management Plan will be updated annually for the life of the waste storage, or 10 years, whatever is shorter. Any updated plans will be provided to the Wood County Land Conservation Department upon request.

The recommendations of the Nutrient Management Plan will be followed as closely as possible.
