CHILD SUPPORT
AGENCY

JANUARY 2021

MONTHLY REPORT TO THE JUDICIAL AND LEGISLATIVE COMMITTEE

Prepared by Child Support Director Brent Vruwink

- I continue to advocate for increased Child Support funding in the next State Budget. I sent a letter to Governor Evers outlining the request for an additional \$4 million in GPR in next budget.
- DCF has indicated they will be awarding Wood County additional funds for Access and Visitation in 2021. We hope to open a Parent Engagement Center in Wisconsin Rapids with the funds. The funding is specific to Access and Visitation and can't be used for other purposes or to offset levy.
- I attended the WCSEA meeting on December 10th.
- I continue to attend the Criminal Justice Ad Hoc Committee meetings.
- I will be putting the Cooperative Agreement's together in the coming days and anticipate having them completed by the end of January.
- We continue to meet Federal Performance Measures at this time but our current support collection rate is down 1.4% from last year. We will be challenged to meet the measure this year. We have been hurt by the economic turmoil such as the Verso Mill closing, Per Capita payments being halted by the Tribes, COVID-19 related issues such as layoffs and our inability to enforce orders through incarceration.
- The current IV-D case count is 3,761.

MONTHLY REPORT TO THE JUDICIAL AND LEGISLATIVE COMMITTEE January 2021

Opioid Litigation. Things have been quiet on this front the last several weeks. Prior to that, in early November, the four companies that made or distributed prescription opioids and played roles in the catastrophic opioid crisis had reached a tentative \$26 billion settlement with counties and cities that sued them for damages in the largest federal court case in American history. The settlement offer from opioid manufacturer Johnson & Johnson and the “Big Three” distributors, McKesson, Cardinal Health, and AmerisourceBergen, needs to be approved by various courts. It isn’t clear at this time how much of that settlement would make its way back to Wood County. I will keep you posted.

Office Move. As you may know, the Corporation Counsel’s office suite has been moved to the third floor of the courthouse. We are located in the back part of the old DA’s office, just behind the county board room. The transition went well and we appreciate the work that Maintenance did in renovating the office space we moved into and for their assistance and that of Emergency Management in moving us. It might be a few years before we are back up to full speed but we’ll get there eventually.

Year End Comments. Most of the work done by this office is routine in the sense that it is more of the same. This is true with respect to the transactional work (contracts and other types of agreements), mental commitments, guardianships, protective placements (court orders for someone under a guardianship to live somewhere), small claims, and legal research. Some of the litigation we get involved with is unusual and can be time consuming and that type of work tends to ebb and flow with no real patterns. The guardianship and mental commitment work has been up significantly for a number of years now and what was a significant increase that lead to the additional half-time legal secretary now appears to simply represent the new normal. If the committee members have any questions on the workload or workflow, you are encouraged to ask.

REQUESTING THE WISCONSIN STATE LEGISLATURE TO CONVENE A SPECIAL SESSION TO PROVIDE COVID-19 DIRECTION FOR THE STATE OF WISCONSIN

WHEREAS, city by city and county by county guidance on COVID-19 prevention and mitigation across the State of Wisconsin represents an inconsistent patchwork of direction; and

WHEREAS, this patchwork direction allows for the unmitigated spread of the COVID-19 during a worldwide pandemic; and

WHEREAS, public health is not an issue that should be politicized; and

WHEREAS, convening a special session of the legislature to provide leadership and guidance would provide township, municipal and county governmental bodies the needed and consistent direction to handle the spread of COVID-19.

NOW THEREFORE BE IT RESOLVED that the Eau Claire County Board of Supervisors formally requests a special session of the Wisconsin State Legislature be convened to develop state-wide direction on the handling of COVID-19 at a time of great need and to avoid catastrophe and economic harm to Wisconsin families and communities; and,

NOW THEREFORE BE IT FURTHER RESOLVED that the County Clerk is directed to send copies of this resolution to all counties in the state of Wisconsin, the Office of the Governor and to all members of the legislature for the state of Wisconsin.

Resolution 54 12-2020

RE: A Resolution in Support of State Funding For Equitable Return
of Utility Tax Collections to Counties and Municipalities as Utility Aid

WHEREAS, shared revenue utility aid payments help counties and municipalities pay for services provided to tax-exempt utility property, and

WHEREAS, these payments-in-lieu of taxes are also viewed as partial compensation for the air pollution, noise traffic congestions, property maintenance, emergency services and land use limitations caused by the presence of utility property, and

WHEREAS, the state has typically retained about eighty percent of utility tax collections for use as General Purpose Revenue (GPR), rather than return those dollars to counties and municipalities where the utilities are located, and

WHEREAS, in 2019-20, the state collected \$351.4 million in utility taxes, but only returned \$75.6 million to local governments as utility aid, and

WHEREAS, moreover, payments generated through the current utility aid formula have largely been stagnant, both as a percentage of tax collections and in the actual dollars distributed to counties and municipalities. Stagnant or declining aid results in a burdensome shift in taxes to owners of the remaining taxable property.

THEREFORE BE IT RESOLVED, the Jackson County Board of Supervisors hereby encourage the Governor's 2021-2023 budget to include a provision in your 2021-2023 budget plan to provide a fairer, more equitable return of utility tax collections to counties and municipalities as utility aid with an inflationary increase built into the utility aid formula.

RESOLUTION 53-12-2020

To: The Honorable Jackson County Board of Supervisors

RE: The Request to review funding for APS and increase long term care placement locations within Wisconsin

WHEREAS, Jackson County like other counties across Wisconsin, continue to experience the effects of an increasingly aging population such as the need for additional health care, dementia care, and long-term care for disabled and aging seniors who can no longer care for themselves or who have long term cognition needs and,

WHEREAS, Adult Protective Service agencies are statutorily required to be the responsibility of each county in Wisconsin and,

WHEREAS, in 2010 the number of Elder Abuse reports in Wisconsin for persons 60 and older was 5,799 and in 2019 the number rose to over 10,033 demonstrating a 73 % increase in Wisconsin and,

WHEREAS, Adults at Risk Incident Reports for persons with disabilities aged 18-59 increased from 1,861 to 2,974 in Wisconsin, demonstrating a 59.8% increase and,

WHEREAS, these increases have created an increased financial and staffing burden for counties all across Wisconsin and,

WHEREAS, in 2006 funding from the Wisconsin Department of Health Services for Adults at Risk and Elder Abuse Funds were allocated to assist seniors in need of protection and,

WHEREAS this funding has remained flat since its inception, while the numbers of elders at risk and in need of protection have risen and,

WHEREAS, Jackson County has noted an increase in spending on Adult Protective Services from an average of \$97,463 between 2010-2011 to \$ 221,377.00 in 2019 and

WHEREAS, stagnant funding for 14 years in the allocation of \$27,981 has been available from the Department of Health Services for Adult Protective Services and,

WHEREAS, referrals for Adults in Need of Protection, have become more complex due to the combination of long term cognition and difficult behaviors such as aggression and lack of placements for these clients as well as lack of providers and resources for caregivers and,

WHEREAS, difficulty in placing persons with long term cognition needs has resulted in clients left waiting for a place to reside, creating ethical and dangerous situations for police officers, care providers, local hospitals, and other health care facilities who are unable to safely care for these adults (in some instances up to 40+ facilities have been contacted who have stated they will not accept an elder at risk) and

WHEREAS, a survey completed by Jackson County DHHS, in 2018 showed that 92% of County Human Services respondents stated they were having increased difficulty finding placement locations for clients who have dementia and were demonstrating behavioral symptoms such as aggression and,

WHEREAS, attached items contain further supporting data for the increase in Elder Abuse reports and Adults at Risk Incidents,

Now, therefore, be it resolved that the Jackson County Board of supervisors urges WCHSA, WCA, and the State legislature to review and address the need for increased funding to assist in the care and coordination of elders who are at risk or can no longer care for themselves and work collaboratively toward assuring that an increase in placements for clients with long-term cognition needs occurs in Wisconsin and,

Therefore, be it further resolved that the Jackson County Board of supervisors directs this resolution be forwarded to WCA, WI DHS, WCHSA, Jackson County legislature, and the Office of the Governor.
