

# Looking for Your Support

▶ Wood County is looking to partner with Bug Tussel Wireless to apply for the Wisconsin PSC Broadband Expansion Grant FY21.

▶ The grant would be to construct 18 towers and provide the necessary equipment to bring broadband wireless internet to the unserved and underserved communities in Wood County.

▶ Awarding of these grants lies heavily on the support of the public.

▶ Wood County is asking for residents, businesses, and organizations to write letters of support and submit them by November 16<sup>th</sup>, 2020 to:
