SUBJECT: Wood County ATV Intensive Use Area Parking Lot improvements.

The Wood County Intensive Use ATV Area parking lot area is currently undergoing multiple improvements. A few things you need to know before you visit us:

- 1) The unloading/loading ramp has been removed. Once parking lot improvements are completed, the ramp will be rebuilt.
- 2) The wash-down station is being relocated, and is currently out of order.
- 3) Grading and paving of the parking lot will occur sometime over the next month. During this time, the parking lot and trail will be closed. We will send out further information on Facebook and our website as soon as we know the date of closures.
- 4) As always, BE SAFE. The area is known for high water. Bring a friend and a phone and HAVE FUN.

The ATV Intensive Use area is located in Wood County at 4415 State Hwy. 54, Port Edwards, WI 54469.
