NEWS RELEASE WOOD COUNTY PARKS & FORESTRY January 16, 2020

The Wood County Snowmobile Trail maintained by the Bakerville Sno Rovers will open at 8am on Friday, January 17, 2020. Riders may encounter trail re-routes and rough, icy patches and thin portions of trail in the fields. Please pay attention to signs and other trail markers and please use caution while crossing all bodies of water.

All other snowmobile trails in Wood County will remain closed until further notice. We hope to open more sometime next week.

Our snowmobile clubs are working extra hard this year due to the July 2019 storm damage. They continue to work long hours clearing, marking, signing and securing permission for the trails you ride on. If you come across some “not so great” trails do not detour outside of the trail markings to find snow for your skis. **STAY OFF LANDOWNER’S PROPERTY, DO NOT TRESPASS and STAY ON THE TRAIL** or you will lose it.

Wood County snowmobile trails are subject to periodic and unexpected closures. For updates on recent closures or openings or if you have any questions, please feel free to contact the Parks & Forestry Office at (715) 421-8422 or parks@co.wood.wi.us. You can also find us on Instagram & Facebook.
