

January 29, 2019

IMPORTANT ANNOUNCEMENT to our customers.

Due to the inclement and dangerous weather expected Wednesday, January 30th and Thursday, January 31st, the Parks & Forestry office has chosen to close the office these two days so our employees stay safe. If you are calling in regard to a camping reservation and our special we have running this week, please give us a call back on Friday, Monday or Tuesday as we'll be extending the special through next Tuesday until 4pm. If you have questions about this, please send a message through Facebook Messenger - I will also be monitoring that through the next two days.

As for the snowmobile trails, for now, Sunset Drifters trails are open. As for the others, some are tentative and we will not know until Friday if they will be opening so stay tuned for a news release then (or sooner). Most of them are out grooming and deciding if all that fluffy snow was a good enough base for the weekend.

As for **POWERS BLUFF** -- **GOOD NEWS!** We will open on Saturday and Sunday this weekend! See you there!

Sandra Green
Office Supervisor
