May Monthly Report

Wood County Sheriff's Rescue

Within this report:

1. Business Meeting

The first Tuesday of every month, we hold a business meeting. We take attendance, discuss the minutes from the previous meeting as well as a quick treasurer's report. Each of our officers has a chance to speak and address any issues or requests of the squad. We review our TICS (Technicians in Charge) and see if anything needs to be addressed (equipment fixed, training to be held, new members or interviews, etc). We review each of our vehicles (after all checks have been done) to talk about anything that needs to be fixed or addressed. Old business is brought forwards from the last business meeting (anything that was put off from the previous month's meeting). Lastly, we ask the group if there is any new business that needs to be brought up to the squad as a whole. Upcoming events are also discussed at this time.

2. May Call and Truck Hours

Summary of members hours with and without the truck.

3. May Attendance, Training Summary and Training Logs

Attendance is taken each Tuesday by an officer. There is also a summary of the training performed each Tuesday for this month as well as the training log filled out by the training officer.

4. Calls Attended (with and without the truck)

Total tally of calls members attended for the month including which truck they had (if any).

5. Call Summary & Run Reports

Summary of calls for the month. Includes run reports for each call, completed by the member who responded with Rescue 3.

6. Special Events Summary & Special Events Forms

Summary of speical events for the month. Includes a special events form for each call, completed by one of the members present at the event.

Wood County Sheriff's Rescue Narrative Form

Complaint # WOSR 19-34

I, Joshua Habeck helped apply AED pads to the female PT. I was advised by GRPD and WCSD that both PT's got 2 dose's of Narcan. Grand Rapids PD and Wood County Sheriff's Department monited the female as she started breathing. I went and helped with the male PT as he was unresponsive as well little to no pulse. Grand Rapids Fire Chief Bob Paitt and myself got oxygen ready using bag valve mask. Male PT then came to and was able to answering questios. Once United Ambulance showed up i helped backboard the male PT then i transfered care over to them.

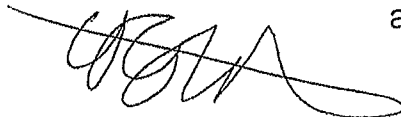

I, M. Adamski, assisted WCSD Simon apply the AED to an unresponsive male pt. with weak pulse and barely breathing on his own. GRFD Chief said 1 dose of narcan had already been administered, a second was given. Male pt came to, UEMR administered care. Myself, Habeck, Potter, Doerrler assisted with backboarding. UEMR continued care from there.

I, E. Doerrler, assisted UEMR with lifting the backboard into the ambulance. UEMR continued care from there.

I, R. Potter, assisted Habeck and Adamski with getting male victim on backboard and lift into United Ambulance.

INTENT & SYNOPSIS: To provide for unanticipated revenue from the Bureau of Traffic Safety, housed with the Wisconsin Department of Transportation's Division of State Patrol, to finance additional patrol for speed, seat belt and reckless driving enforcement through September 2019.

FISCAL NOTE: The costs to be funded in the 2019 budget are in lines 101-2504-52140-000-115 (Traffic Police Overtime). The adjustment to the budget is as follows:

Account	Account Name	Debit	Credit
52140	Sheriff Traffic		\$20,000
43521	State Traffic Aids	\$20,000	

SOURCE OF MONEY: Bureau of Traffic Safety, housed with the Wisconsin Department of Transportation's Division of State Patrol.

WHEREAS, it is a benefit to the citizens of Wood County to provide additional traffic patrol within the boundaries of Wood County over the 2019 operational year, and

WHEREAS, the Wood County Sheriff's Department overtime budget is restricted in nature and would be compensated \$20,000 for additional patrol for speed, seat belt and reckless driving enforcement through September 2019, and

WHEREAS, Wood County will be the fiduciary of the Bureau of Traffic Safety (BOTS) Grant and the Sheriff's Department will be responsible for all programmatic reporting requirements outlined in the grant award and seeing that grant funds are administered according to the approved application materials and certifications, and

WHEREAS, Wood County Sheriff's Department will allocate a portion of the \$20,000 awarded grant funds to Wisconsin Rapids Police Department, Marshfield Police Department, Grand Rapids Police Department, Nekoosa Police Department, Port Edwards Police Department and Pittsville Police Department to assist with the additional traffic patrol within the boundaries of Wood County, and

NOW THEREFORE BE IT RESOLVED to amend the Wood County Sheriff Traffic (52140) Budget for 2019 to add \$20,000 of unanticipated revenue from the Bureau of Traffic Safety into the traffic revenue account (43521) known as State Traffic Aids.

BE IT FURTHER RESOLVED that pursuant to Wis Stats 65.90(5) the County Clerk is directed to publish a Class 1 notice of this budget change within 10 days.

RE: Replace 4TB DVR hard drives in Dahua CCTV units / integrate Courthouse CCTV

Sheriff Becker,

I have been maintaining the Wood County Jail CCTV DVR recording equipment since activated. Over the past few weeks I have noticed the units are experiencing time loss (see photo below) and automatic reboot has occurred. The auto reboot displays an error code message of, "video loss: 32> Reboot with flag [0x01]." I have checked the Un-interrupted Power Supply (UPS) and there were no power loss detected. After eliminating the external power supply to the unit, I checked the internal power supply source and other sources. I was not able to locate the source of the error code and we cannot update the firmware. However, during this I did notice the time loss occurring in the display. I re-synchronized the units (A & B) to my computer and confirmed the times were accurate. Today (3 days later) I noticed the units are off by 11 seconds. Normally unit B would have 2 to 3 seconds of time loss as compared to unit A over one month. The last time I noticed an accelerated time loss it was due to the HDD surveillance drives and replacing them returned the units back to the 2 to 3 second loss range.

Based on these finding I would like to replace the 16 4TB (see pricing below) HDD drives in both units. I hope this also addresses the error code, as I have found no other sources of the loss. I know we have talked about eventually replacing the CCTV units in the Jail, but appears the units have surpassed their useful life.

I'm not sure what the plans are to upgrade the Courthouse CCTV system, but it may be cost effective for Wood County to look at integrating the Jail and Courthouse systems. I suggest this integration as upgrading the Jail system to comply with (121 day retention) Wood County Ordinance 901 would require a much larger system than we currently operate. If we are going to explore upgrading the Jail system then we should look to upgrade the Courthouse / Jail as one.

I would ask that we replace the HDD drives to keep our current system operating while we look at options.

Sincerely,

Theodore C. Ashbeck Jr.
