DATE: May 3, 2018
 TIME: 9:30 a.m.
 PLACE: Room 115, Wood County Courthouse
 TIME ADJOURNED: 12:02 p.m.
 MEMBERS PRESENT: Chairman William Clendenning, Bill Leichtnam,
 Kenneth Curry, Brad Hamilton, Jake Hahn
 OTHERS PRESENT: Peter Kastenholz. See attached list.

1. At 9:30 a.m., Chairman Clendenning called the meeting to order.
2. Public comments. None at this time.
3. Chairman Clendenning asked if there were any objections to the minutes for the April 6, April 17, and April 23, 2018, meetings; there were none. The minutes were accepted as drafted.
4. The Committee reviewed monthly voucher and department reports of the departments they oversee. Moved by Hamilton, seconded by Leichtnam, to approve the reports and payment of department vouchers. All ayes.
 - a. Capital Improvement Plan (CIP), Budgets and IT concerns.
 Reuben Van Tassel spoke on asking for \$750,000 in 2019 via the CIP for courthouse security.
 Amy Kaup spoke about IT's CIP and how much of these proposed expenditures impact the departments that report to the committee, video conferencing for instance.
 Craig Lambert spoke of the need to have more office space.
5. The Committee reviewed the claims of Peggy Sullivan and the estate of Casey Teskoski. These claims will be provided to the county board.
6. There were two animal claims against the County on the same incident involving a muskrat that bit an individual. Moved by Hamilton, seconded by Curry, to approve paying the claim of the Marshfield Police Department for \$18.00 for euthanizing the muskrat, and to approve paying the claim of Wildwood Animal Hospital & Clinic in the amount of \$41.20 for rabies testing of the muskrat. All ayes.
7. The Committee reviewed correspondence and legislative issues.
 - a. Central Sands Water Committee. Discussion had on the need for the involvement of this committee on water issues. CEED Committee is still considering how they want to proceed.

- b. Nonferrous metallic mining and reclamation ordinance. CEED Committee has a draft ordinance that it is considering. It is regulatory verses a zoning ordinance.
- c. Legislation increasing the Public Defender compensation. District Attorney Lambert spoke in favor of increasing the funding for private attorneys, which is the lowest in all of the 50 states for doing Public Defender work. The current rate is:
\$40/hour court-related work
\$25/hour travel
Moved by Leichtnam, seconded by Hamilton, to support legislation to increase the private bar Public Defender compensation rate. All ayes.
- d. Constitutional amendment on campaign contribution limits. **Moved by Hahn, seconded by Leichtnam, to have a countywide referendum on the November ballot for a constitutional amendment to allow limits on campaign contributions. All ayes.**
- e. Deadline for submission of WCA resolutions is June 25, 2018.
- 8. Courthouse security update. Reuben is spending about \$50,000 this year on courthouse security.
- 9. County Board rules.
 - a. Attendance at meetings by means of audio or video communications. Lots of discussion on the topic. The committee decided that the rules should not be changed on this. The rules currently do not address how to handle telephonic and AV participation at committee meetings, so each committee addresses this on a case-by-case basis. The rules require attendance by supervisors to vote at county board meetings and the rule must be suspended to do otherwise.
 - b. Use of county board designees for meetings. General discussion had. Not supported by the committee.
 - c. Resolution pertaining to role of county board vice-chairperson. **Moved by Clendenning, seconded by Curry, to present the resolution to the county board.** Pliml explained and spoke in support of this resolution to allow the county board vice-chairperson to serve as a committee chair. **4 ayes, 1 no (Leichtnam)**
 - d. Committee chair duties. No action taken.

- e. Attendance at conferences and other programs. Some specific conferences were discussed. The County Clerk explained that when a supervisor goes to a non-county committee meeting and seeks compensation, the voucher needs to indicate who gave the authority to attend - the committee or the county board chairperson. (Committee chairpersons do not have this authority.)
 - f. Creating a Wood County Property Committee. Supervisor Clendenning spoke in favor of having a stand-alone Public Property Committee. Discussion had on process of creating such a committee. No action at this time.
10. Committee liaison appointments to departments overseen by Judicial.
- Clendenning - Corporation Counsel and Branches I, II, and III
- Leichtnam - Child Support
- Curry - District Attorney, Victim/Witness, Register in Probate
- Hamilton - Clerk of Courts and Family Court Commissioner

 - Resolution for countywide referendum allowing limits on campaign contributions.
12. The next committee meeting will be Thursday, June 7, 2018, at 1 p.m.

CHILD SUPPORT
AGENCY

JUNE 2018

MONTHLY REPORT TO THE JUDICIAL AND LEGISLATIVE COMMITTEE

Prepared by Child Support Director Brent Vruwink

- On May 9th staff members toured the Family Center to get a better understanding of the visitation program they offer. When we draft stipulations and orders they sometimes contain language that mandates the visits take place at the Family Center. It is important for staff to get a good understanding of how the program works so they can explain it to the customers we serve.
- On May 16th Vicki Stoflet, Emily Desorcy, Nate Brost and I presented information on the Child Support Program to students at Auburndale High School.
- On May 21st Vicki Stoflet and I met with about 45 inmates at Jackson Correctional.
- The Child Support Roundtable Training we hosted at Wisconsin Rapids City Hall on May 24th was attended by 21 people from 10 different counties. Staff from the State Bureau of Child Support also attended.
- Agency printers have been updated by EO Johnson. We have now moved to central print with the exception of 3 staff members who retained their own personal printers.
- By the end of June all agency staff will have attended a Child Support Roundtable Training.
- Nathan Brost will be attending "New Worker Training" in La Crosse in June. The 3 day training is a good supplement to the training he has been receiving from agency staff.
- The April performance numbers are in and we are improving in both current support and arrears collections. We are on track to meet and exceed all four Federal Performance measures.
- The current IV-D case count is 3,958

MONTHLY REPORT TO THE JUDICIAL AND LEGISLATIVE COMMITTEE June 2018

1. Rodeghier ERD/EEOC Complaint. Mr. Rodeghier, the former Norwood employee who was terminated for refusing to go from the lobby to perform his duties, has appealed his termination based upon allegations of discrimination. A part of Rodeghier's claims extended beyond the 300 day look back period and, therefore, those allegations were dismissed. Rodeghier timely appealed the dismissal of that aspect of his case and now the Administrative Law Judge has affirmed that dismissal. Rodeghier will be able to appeal that part of the case further to the Labor & Industry Review Commission itself but not until the hearing component of the case addressing the discrimination allegations that were timely filed are addressed. A hearing on those claims was conducted on May 22 and 23 here in Wood County. There wasn't enough time to take all of the testimony so the case has been continued until July when the rest of the testimony can be presented.
2. Additional Staff. There were 11 applications filed for the ½ time legal secretary opening and none of them met my standards. Human Resources was asked to continue posting the position for another 10 days and to notify the past applicants that they will not be offered the position. Eight more applications were received and two interviews set up for the end of the month. It is worth noting that most of the applications were not only for the part-time legal secretary position but also for other full-time county positions. A person can complete one application for county employment and have it pertain to a dozen different openings. I am not inclined to hire someone just so that they have an inside track to the next full-time opening with the county. Likewise, I am not going to hire someone just to fill a spot; they need to be a decent fit. None of this is surprising, but I did want to share it with you. Hopefully the interviews will lead to a successful candidate.
3. Rodeghier Settlement Offer. Mr. Rodeghier floated a settlement offer in this case of \$165,000 and then followed that up with what was essentially a three business day time limit to respond to the offer. Some of us staff have made clear in this specific case that we do not support any settlement due to our strong position, the message such a settlement would send to others and the fact our insurer is covering the defense costs but not damages. The time period for the offer has lapsed and the case is proceeding to a hearing. I bring this to your attention primarily because the presentation of the offer again lays bare the shortcomings of our county government system that we are not set up to quickly respond to such settlement situations in both litigation and pre-litigation matters. I will be looking to discuss this with the committee as some of these settlement offers really call for actions by the committee(s) and the county board and not just staff.
4. UW Wood County – Marshfield Campus. Several months back the UW Commission in conjunction with the county, the City of Marshfield and the Board of Regents came to terms with Begley Wireless Consulting Services with respect to a ground lease agreement for property on the campus to be used for a cell tower. Although the county board approved the contract via resolution Begley has been unable to get the party it was negotiating on behalf of, that being PI Tower Development, LLC, to sign off on the agreement. It isn't clear why but it would seem that whatever cell company that has PI Tower working for it to develop new tower sites has backed off either temporarily or long term on this site. I really don't know what is going to happen with respect to this matter but I did want to report that the contract the county board approved via resolution has not been signed and unless and until it is, there won't be a cell tower going up on the UW campus as a result of it.

5. Sale of land across from the Highway Dept. In March the county board approved a resolution authorizing the sale of 7.71 acres of a 32+ acre unimproved (but with accessible utilities) site the county owns that sits across from the Highway Dept. on 17th Avenue in Wisconsin Rapids. The offer the county had received was for \$120,000 and was contingent upon the buyer obtaining at their expense the necessary approvals to construct a multi-million dollar apartment complex. Oddly, even though the buyer/developer was not looking for any contributions from the city in establishing the development, the city council denied the request of the buyer to rezone the property to enable the development to proceed. This will likely nix the deal and leave the county sitting with the property with its current zoning of agricultural use.

INTENT & SYNOPSIS: To encourage the state legislature to increase the rate of pay of private attorneys who accept appointments to handle Public Defender cases.

FISCAL NOTE: Anticipated cost savings to the county. The economic impact to the county's taxpayers would likely be slightly increased as there would be higher costs via the state attenuated somewhat by lower costs from the county.

WHEREAS, the state and federal constitutions both give criminal defendants the right to counsel paid for at public expense if the defendants are unable to afford it on their own, and

WHEREAS, the state operates and finances the Office of Public Defender (PD) which provides representation to defendants via both in-house counsel as well as private attorneys willing to accept the appointments at the legislatively set rate of \$40/hr. for time spent providing legal services and \$25/hr. for travel time, and

WHEREAS, these hourly rates for private attorneys accepting PD work have not increased for over 20 years, are the lowest in the nation, and prevent the vast majority of attorneys from accepting such cases as the rates do not cover overhead (staff, office, liability and health insurance, retirement) much less allow for any actual compensation for the attorney and are often only taken by attorneys as a form of free public service, and

WHEREAS, when the PD's office is unable to locate private counsel willing to accept appointment to a case, the circuit court judge is constitutionally obligated to appoint counsel and does so at county expense,

which in Wood County the rate is \$70/hr. The county is not reimbursed anything by the PD's office for making these appointments and the frequency of such appointments is increasing, and

WHEREAS, the local PD's office is doing its best to locate private attorneys to accept appointments for PD cases but it is becoming commonplace for attorneys from the Madison area to drive to Wood County to take cases and these same attorneys are taking cases throughout northern Wisconsin, which is obviously an inefficient allocation of resources, the fix of which is readily apparent, to increase the PD private attorney pay rate, and

WHEREAS, there are secondary and tertiary effects to the drastic underpayment of private attorneys taking PD appointments including the lack of attorneys in the northern half of the state and rural areas generally and law school graduates, many of whom have their cost of education partially subsidized by the state, being financially encouraged to leave the state upon graduation.

NOW, THEREFORE, THE WOOD COUNTY BOARD OF SUPERVISORS HEREBY RESOLVES to go on record in support of a significant increase in the compensation rate of private attorneys taking Public Defender cases to the modest rate of \$70 per hour for court time.

BE IT FRUTHRER RESOLVED that a copy of this resolution be provided to the state legislators representing any part of Wood County and that a copy also be provided to the Wisconsin Counties Association in support of a legislative initiative sponsored by it.

WHEREAS, free and fair elections are a core element to the democratic process, and

WHEREAS, the appearance of buying access to candidates or influencing policy, governance and judicial decisions because of large outsider donations erodes voter confidence in our elections and our democratically elected governments, and

WHEREAS, the County of Wood has an interest in protecting its citizens against intrusions on local, state and federal elections by entities with significant economic resources that are used unfairly to sway these elections, and

WHEREAS, The U.S. Supreme Court's decisions in the *Citizens United* and related cases allow unlimited spending by certain groups known as Super PACs to influence local, state and federal elections, and

WHEREAS, the above-mentioned Supreme Court cases:

- Have granted corporations, unions, non-profits and other entities (such as Super PACs) the same election related constitutional rights and protections that should only be given to individual human beings, and
- Have determined the use of money constitutes "free speech" within the context of elections,

NOW, THEREFORE, THE WOOD COUNTY BOARD OF SUPERVISORS HEREBY RESOLVES to direct the Wood County Clerk to place on the November 2018 ballot the following referendum question:

Do you agree that the United States Constitution should be amended to state:

1. Only human beings are endowed with individual constitutional rights – not corporations, unions, non-profits or other artificial entities (such as Super PACs), and
2. Money is not speech, and, therefore, limiting political contributions and spending is not limiting political speech.
