OFFICE OF CORONER

David A. Patton

DATE: 01/04/2022  
TO: Wood County Public Safety Committee  
FROM: David A. Patton, Wood County Coroner  
SUBJECT: Monthly Activity Report for December 2021

The following is a list of services rendered by the Wood County Coroner's Office for: December 2021

Deaths in Wood County.....	172
Calls for Service.....	160
Natural.....	34
Falls.....	3
(1 fall resulted in a closed head injury with severe intracranial hemorrhage and 2 falls resulted in fractured hips, in which the decedents developed inanition/failure to thrive syndrome)	
Covid.....	59
Traffic Fatalities.....	0
UTV/ATV/Snowmobile.....	0
Suicides.....	0
Homicides.....	0
Suspected Overdoses.....	1
Other.....	1
(Homeless decedent succumbed due to hypothermia from sleeping outdoors)	
Pending.....	0
Death Certificates Signed.....	98
Cremation Permits Signed.....	115
Autopsies Performed.....	2

Remarks:

I was hoping that November would be the peak of Covid, but I was wrong. The total number of deaths in Wood County increased 31.3%

and Covid related deaths increased 126.92% for the month of December. As a result of the marked increase in deaths, cremation permits increased by 38.55%. Unfortunately, with the marked increase of Covid related deaths, 35 of these were Wood County residents.

I continue to work with Wood County Health to ensure the correct numbers are being reported. The staff of this department continues to strive to ensure all death certificates are signed within 24 hours to expedite final disposition of the decedent for them and their families.

With respect to the funeral homes this office works with, they are busy but are maintaining to properly take care of decedents. Right now, everyone is doing their part to properly take care of all decedents. I feel the potential slow point may come from the limitations of the retort. (The cremation chamber)

My immediate goals are to increase the number of deputy coroners by at least two to help offset this increased call volume. The problem is I want the right person for this profession. This office, like all of Wood County, has high standards and expectations in new personnel.

Lastly, my apologies in missing the November meeting. It is not my intent to miss any of these meetings as I know their importance. At the last moment, I received a page to MMC that required my immediate attention.

Respectfully Submitted,

David A. Patton  
Wood County Coroner

The individual with the gun came to the courthouse and informed Security that she had her conceal carry permit. A check was completed on the individual and she does have a permit. She was informed of the law and she returned the weapon to her vehicle without incident.

Security Services screened 5,065 people entering the courthouse for the month. Security Services had 26 security requests from different departments within the Courthouse for the month. There were two jury trials this month and security handed out ten masks to individuals that requested them.

On December 15<sup>th</sup>, there was a false fire alarm within the courthouse. After a quick investigation it was determined that, the fire alarm was caused by maintenance work being done on the third floor.

During the Month of December, I did utilize part-time employees for 12 hours to fill employee shortage hours.
