WOOD COUNTY ORDINANCE #103
BASIC 911 TELEPHONE SYSTEM

Chapter 103 .01 PURPOSE

An Ordinance establishing and authorizing a user charge to finance the Wood County Basic 911 telephone System.

Chapter 103 .02 ORDINANCE

(1) 911 System

Wood County has and will continue to operate a basic 911 emergency telephone number system. That system will be maintained and operated in accordance with the "Plan" maintained by the Emergency Government Committee, the telephone utilities involved in its operation and the Public Service Commission, all pursuant to the provisions in section 146.70, Wisconsin Statutes. Said plan and contract, as periodically modified, are incorporated herein by reference thereto.

(2) Cost Assessment

All telephone users in Wood County which have access to a 911 emergency telephone system shall be required to pay the costs of said system as authorized by Wisconsin Statute section 146.70(3), and as determined by contract between Wood County and the telephone utility companies serving such users and as approved by the Public Service Commission.

(3) Cost Levy and Collection

All telephone utility companies serving Wood County shall bill their Wood County service users for the costs referred to herein and in section 146.70, Wis. Stats., as approved by the Public Service Commission. The actual service user fee shall be set forth by contract with the telephone utilities. All revenues collected from the user service charge must be applied to the actual, authorized costs incurred in the installation and maintenance of the 911 emergency telephone number system.

Chapter 103 .03 EFFECTIVE

This ordinance shall take effect upon its passage and publication.
