Security Services June 2021 Report

For the month of June 2021, the total number of prohibited items prevented from entering the Courthouse are:

Guns -	0
Knives -	141
O.C. -	18
Misc. Items -	11

Some of the miscellaneous items that were located for the month were a small amount of marijuana, two empty holsters, four scissors, two locks and chains and some other sharp objects.

The small amount of marijuana was located in the garbage can, inside the front entrance, by the security station of the courthouse. We could not verify who the owner of the marijuana was so it was just disposed of.

Security Services screened 9,134 people entering the courthouse for the month. Security Services had 55 security requests from different departments within the Courthouse for the month of June.

Since the lifting of the mask mandate for the courthouse, Security Services only had to hand out 24 masks this month. Most of them were for jurors for the six jury trials that we had go for the month of June.

On June 30th, Security Services, along with other members of the Sheriff's Department, rendered aid to a female subject that fell off the curb and landed on the street. Ambulance personnel were called to assist with the incident. The female subject was released to her own care.

During the Month of June, I did utilize part-time employees for 102.75 hours to fill employee shortage hours.
