Wood County ATV/UTV Survey Now Open!

Calling all ATV/UTV enthusiasts! Wood County is looking for your input. We are interested in gathering information from county ATV/UTV users with a survey. Specifically, the survey will gather input and opinions related to route and trail usage; rider preferences and experiences; and basic economic impacts from users.

Your input will help determine how to improve ATV/UTV trails, routes and facilities throughout Wood County.

The survey is available on the Wood County Parks and Forestry Website.

Use the link or QR Code below to take the survey **before July 31, 2021**, and give your input!
