Remarks:

Unfortunately, it was another busy month for the coroner's office. We saw a spike in the numbers of Covid-19 related deaths within the past two weeks. The department continues to work closely with the health

department in properly documenting and tracking all Covid related deaths.

With the help of IT, the coroner's office now has a website that can be accessed via the Wood County website. In lieu of utilizing cell phone numbers, the number listed is to Wood County Dispatch and callers are requested to have the on-call person or coroner paged.

Some of my immediate goals for the department are to:

1. Review and discuss the per diem rate for the coroner position.
2. Review and discuss the feasibility of increasing the rates for cremation permit and death certificate fees.
3. To work with Human Resources, Corporate Counsel and other Wood County Departments in establishing a set policy and procedure manual for the Wood County Coroner Department, as none currently exists.

Respectfully Submitted,

David A. Patton  
Wood County Coroner

Department Head / Humane Officer  
Nanci Olson  
October 3<sup>rd</sup> – October 16<sup>th</sup> 2021

10-3; Reports

10-3; WC15437 A dog bite happened to a child at a campground @ 14014 County Road Z, Saratoga 0

10-4,11; WR7896 An inspection of signage and fencing regarding a dog deemed dangerous @ the 300 block of Drake Street. Proper signage has not been completed. 16,16

10-5,6; WR16819 & WR16821 The owner of a Black Lab Mix male had just brought the dog in the house when he unexpectedly started attacking her. The dog bit her on both of her arms. This dog also attacked her daughter in July of this year. The dog was taken to the Humane Society for the ten day quarantine and the owner has decided to have the dog put down on 'day 10' of quarantine. 18,22

10-7; WC11689 Welfare check on a dog in the town of Sigel. 32

10-8,9; GR3353 A visitor to the South Wood County Humane Society was interested in looking at the cats available for adoption. A worker advised her that if she saw a cat she wanted to hold to let the worker know and she'd take the cat out of the cage and hand the cat to her. Apparently the victim of the bite opened a cage to take a cat out herself and the cat bit her in the face; this cage also had a sign on it that read 'employee's only'. This cat was in a separate room and not up for adoption. 0,22

10-9,13; WC11775 *Open case* of mistreatment of a horse @ Evergreen Ave., working with a veterinarian on proper diet for weight gain. 10,10

10-10,11,12; WR17139 Complainant stated that she was out walking her little dog on a leash when a loose Pit Bull type dog attacked her little dog biting it's ear off, so the owner drove her dog up to PawHealth for emergency treatment. The pitbull type dog is from the 640 block of 10<sup>th</sup> Street North, WR. The Pitbull also attacked other dogs in May and July of this year. In July the dog was removed from the city as agreed upon. The owners brought the dog back home in the city without notice. On this day, October 10<sup>th</sup>, I spoke with the Lieutenant on-duty for Wisconsin Rapids PD regarding the City possibly impounding the dog under their ordinance. The Lieutenant decided not to Impound the dog but rather I did an Order of Abatement regarding proper confinement of the animal. After meeting with the owner of the dog I had concerns with the dog staying home due to the kids letting the dog out, not closing the front door, and that an open window's screen is ripped open on the ground floor of the house and the dog could potentially get loose again. Instead of writing up an Order of Abatement I instead impounded the dog under Wood County's Dangerous Dog Ordinance. The Pitbull was taken to the Humane Society. The following day, October 11<sup>th</sup> I met with the City Attorney regarding the impoundment. The Attorney took over the Impoundment of the dog under their City Ordinance. I met again with the owner of the dog and served her with the Notice of Impoundment. The owner has until October 18<sup>th</sup> to contest the Impoundment or decide to not claim her dog. 17,17,17

10-11; Public Safety Committee Meeting. 16
