AGENDA HIGHWAY, INFRASTRUCTURE & RECREATION COMMITTEE

DATE: Thursday, October 7, 2021

TIME: 8:00 am - Fall Tour: Meet at the Wood County Highway Dept.- Marshfield Shop,

2300 S Galvin Avenue, Marshfield WI 54449

12:00 noon - HIRC Meeting & Lunch at the Dexter Enclosed Shelter, *3715 STH 80, Pittsville, WI 54466* 1:30 pm (approximate): Continue tour if not complete.

- 1. Call meeting to order
- 2. Declaration of quorum
- 3. Public comments
- 4. The Committee will travel to various locations listed below. This is a tentative route for the day. Stop locations may be adjusted due to time constraints, logging activity, and ground conditions at the time of the tour.
 - a. Marshfield Highway Shop, we are currently constructing two salt sheds and preparing for future improvements.
 - b. CTH N between CTH F and CTH S, 2 new bridges and new pavement
 - c. South Wood County Park
 - d. Nepco Lake County Park
 - e. Wood County Rifle Range
 - f. Wood County ATV Intensive Use Area
 - g. Dexter County Park
- 5. 12:00 pm Begin regular HIRC meeting at Dexter County Park Shelter Building, 3715 State Hwy 80, Pittsville, WI 54466
- 6. Correspondence
- 7. Approve minutes from previous committee meetings
- 8. Presentation by Mike Jones, USDA Wildlife Biologist, on goose abatement options
- 9. ATV Trail/Route system update
 - a. Route Updates

10. HIGHWAY

- a. Highway staff reports
- b. Highway revenue report
- c. Highway vouchers
- d. WCHA Utility Accommodations Policy
- e. Marshfield Shared Campus
- **f.** Accident Recovery

11. PARKS AND FORESTRY

- a. Parks & Forestry staff reports
- b. Special Use permits
- c. Construction Supervisor position replacement
- d. Parks & Forestry revenue reports
- e. Parks & Forestry vouchers

12. Continue tour

- a. North Wood County Park
- b. Powers Bluff County Park
- c. CTH BB between US 10 and CTH B
- 13. Return to Marshfield Highway Shop
- 14. Future Agenda Items
- 15. Set next regular meeting date: November 4, 2021 at 9:00 am at Wood County Highway Department, 555 17th Ave North, Wisconsin Rapids, WI 54495
- 16. Adjournment

WILDLIFE MANAGEMENT CHANGES AT SANDHILL WILDLIFE AREA

Date: 10/06/2021

Time: 5:45 p.m. - End of Agenda

Location: Pittsville School District Administration Building, 5459 Elementary Ave. - Auditorium

Note! new meeting location

Contact

Meggin Weinandt, Meggin. Weinandt@wisconsin.gov or 715-315-0056

Details

Since 2003, Sandhill Wildlife Area has operated under a game farm license in accordance with state statute. Following the terms of this license, the DNR has maintained a perimeter fence around the property, creating unique recreational opportunities for the public.

However, while chronic wasting disease (CWD) has not yet been found in any Sandhill deer, it has been found in Wood County deer. If the disease were to be found on the property, Sandhill would be required by state statute to implement a biosecurity plan that would negatively affect public use and management on the property.

In the interest of the public's continued enjoyment of Sandhill Wildlife Area, the department has elected to relinquish its game farm license. As part of this process, the DNR will follow all DATCP regulations for decommissioning a game farm.

This includes depopulating the deer herd within the existing fence and then removing the fence itself. The DNR will hold a public information session to answer questions on the decommissioning of the Sandhill Wildlife Area's game farm license and future property management.

Join this meeting by Zoom.

Join by phone: 929-205-6099; Meeting ID: 815 0309 0854

Subject: Proposed Changes at Sandhill Wildlife Area

EXTERNAL EMAIL: Do not click any links or open any attachments unless you trust the sender and know the content is safe.

Dear Wood County Wildlife Area Advisory Board,

We are writing to inform you of a change that will impact Sandhill Wildlife Area as the Department of Natural Resources moves forward in implementing a plan believed to be best for the property.

We understand that Sandhill's game farm status and the existing fence contribute to the property's unique appeal to visitors and community members. However, while chronic wasting disease (CWD) has not yet been found inside Sandhill's fence, the risk of eventual herd exposure poses a threat to the public's continued enjoyment of the property. Under current regulations, any game farm found to have deer with CWD inside its fence must quarantine and initiate biosecurity protocols to prevent the spread of CWD beyond the fence.

Even though Sandhill does not manage its deer herd like a traditional deer farm, the presence of deer within a deer-proof perimeter fence designates the property as a deer farm under state law. The requirement to quarantine deer inside the fence and the maintenance of biosecurity protocols would greatly impact public access as well as habitat and wildlife management activities on the property.

As you may know, chronic wasting disease (CWD) was found in Wood County in 2020, just 7 miles from Sandhill. Given the options available, the department has made the difficult decision to remove Sandhill's perimeter fence and relinquish its deer farm license. This decision was taken in a proactive manner in an attempt to preserve public use and full habitat management capabilities that will benefit the wildlife populations many visit Sandhill to enjoy.

We understand that decommissioning the game farm poses a period of difficult transition. In the end, the long-term sustainability of the public's enjoyment of the property, being able to continue managing habitat to benefit wildlife and having the ability to continue research on the property remain at risk as long as we maintain the property as a game farm.

The department will host a public listening session to discuss this decision, its implications and how you can continue to support Sandhill Wildlife Area during this transition. The meeting will take place on Oct. 6 at 5:45 p.m. in the Outdoor Skills Center at Sandhill Wildlife Area.

We understand this news may come as a shock and could trigger many emotions. Please feel free to reach out and discuss this with us prior to the meeting. This is not an easy decision to make or implement, but in an effort to preserve what we all love about the property, this decision is the most appropriate for the long-term viability of Sandhill.

Sincerely,

Meggin Weinandt

Ryan Haffele

We are committed to service excellence.

MINUTES WOOD COUNTY WILDLIFE AREA ADVISORY COMMITTEE

Date: August 17, 2021 Time 5:30 pm Sandhill Wildlife Area, Outdoor Skills Center, Hwy X, Babcock, WI 54413

Members Present: Those signing in were Scott Mcauley, Dennis Polach, Leo Kedrowski, Mike Wipfli, Meggin Weinandt, Curt Pluke, Jim Winkler, and Dawn Schmutzer

Others Present: None.

- 1. The meeting was called to order at 5:33 pm by Vice Chair Jim Winkler
- 2. Quorum. Yes, we have a quorum 6/9.
- 3. No public comments
- 4. Correspondence: None
- 5. Motion by Curt, 2nd by Leo to approve the minutes of May 18, 2021, suggesting members present be listed in minutes. Motion Carried
- 6. No new members.
- 7. Election of officers, motion to postpone till next meeting as four members were absent, two that were interested in positions. Motion by Curt, 2nd by Mike. Motion carried.
- 8. Stan Pliss group update by Mike Wipfli: Gave WDNR \$1500 toward cattail control west of Ditch bank and north of Wiesner Rd. May try Marsh Master instead of chemicals. The bison fundraiser may have some challenges in coming years.
- 9. Meggin Weinandt, Wood County Update: Prescribed burns on impoundments 1 and 2; Woodcock Trail work was done; South Bluff gravel work almost completed; may put rice in impoundments 1 and 2; more cattail work to be done; outhouse doors have been replaced, they actually close now; improved the roads at the campgrounds. A lot of has been completed with a good crew.
- 10. Future projects ideas:
 - Horseshoe Ditch driveway; brush cutting, Walker Lane, we now have \$4000 from Wood County to use for projects. Would like to see the Marsh Master.
- 10. Members Matters. None.
- 11. Future agenda items may include drawdown schedule for flowages; marsh runner, beaver control
- 12. Next meeting scheduled for October 19, 2021 5:30 pm at the Wood County ATV Intensive Use Area Shelter.
- 13. Meeting adjourned at 6:14. Motion by Curt, 2nd by Dawn

Minutes recorded by Scott Mcauley, Secretary

Minutes reviewed and finalized by Sandra Green, Wood County Parks & Forestry Office Supervisor

MINUTES OF THE HIGHWAY, INFRASTRUCTURE & RECREATION COMMITTEE

DAY AND DATE: Thursday, September 2, 2021

PLACE: Wood County Highway Dept., 555 17th Ave North, Wisconsin Rapids, WI 54495

MEETING TIME: 9:00 a.m. **ADJOURNMENT TIME:** 10:10 a.m.

MEMBERS PRESENT: Chairman Jacob Hahn, Supervisor John Hokamp, Supervisor Lee Thao,

Supervisor Dave LaFontaine,

HIRC MEMBERS PRESENT VIA WEBEX: Supervisor Al Breu

OTHERS PRESENT: Roland Hawk, Highway Commissioner; Chad Schooley, Parks & Forestry Director; Fritz Schubert, Forest Administrator, Supervisor Bill Clendenning, Supervisor Dennis Polach, Sandra Green, Parks & Forestry Office Supervisor

OTHERS PRESENT VIA WEBEX: County Board Chairman Lance Pliml, Ed Newton, Finance Director

- 1. Call meeting to order. Meeting called to order at 9:00 a.m.
- 2. Declaration of quorum. Quorum declared
- 3. Public comments. None
- 4. Correspondence. Political sign on Hwy. 13 should be removed by opinion. It is on County F, next to HAAS Builders. If it is in the right-of-way, then it needs to be removed 45 days after the election is over. If it is on private property or not in the right-of-way, can be left.
 - R. Hawk, WCEM requested information on damage from flooding. He states that Hwy. Dept. does have some washouts and minor damage total less than \$20,000. Anything of significance, they are repairing right now. Chad, at North Park there was damage, some washout. Some campers were isolated for about a day and a half because both exits were submerged. We were very fortunate, as there was not a lot of damage, maybe about \$2,000.
 - C. Schooley announced that Dennis Quinnell is retiring and has given a two-month notice to retire. Congratulations, Dennis! He will be looking at updating and/or changing that job description and bringing it back to the committee for consideration to fill the position as soon as possible. In addition, he is announcing that both large grants that he applied for, unfortunately does not look good for this round of grants.
- 5. Approve minutes from previous committee meetings. Motion to approve by D. LaFontaine, second by L. Thao. Motion carried
- 6. ATV Trail/Route system update R. Hawk announced he has had communications with the clubs. One of the clubs have offered to help with signing costs. Mandy at Power Pac is working on a couple things as well for Power Pac entrance for ATV's.

7. HIGHWAY

- a. Highway staff reports. Positions were discussed. Work zone accidents were discussed and mentioned due to the Clark County highway employee death recently. In Wood County, they have created a policy for when working at night, a patrol officer purchased a set of flashing orange lights that have strobes. Upcoming training will instruct patrolman to place strobes on the centerline every 100 feet from where the truck is parked so drivers will see those lights as they approach the work zone.
- b. Chainsaw training is scheduled in a week and will train four deputies and put electric chainsaws in their squads so they are able to assist with tree or branch removal when needed. The State Salt Shed is about 80% complete.
- c. Highway revenue report. No questions.

- d. Highway vouchers. **Motion to approve vouchers by D. LaFontaine, second by J. Hokamp. Motion carried.**
- e. Application to work in Wood County Highway Right-of-Way. An application permit was drafted and R. Hawk presented it at the meeting. **Motion to approve the final version of this form by D. LaFontaine and second by L. Thao. Motion carried.**
- f. After the Fact Fee for Access Permit. Motion to approve this Fee Access Permit to do work in the Right-of-Way request by A. Breu and second by D. LaFontaine.
- g. Engineer's Truck. An employee hit a deer with the 2013 Ford Explorer and the damage repair cost is more than the value of the truck. They are looking at salvaging the current vehicle and purchasing a new/used vehicle. R. Hawk is requesting to take the cash from the repairs of the current vehicle and put that toward the purchase of a new/used vehicle and a motion was made by A. Breu and second by J. Hokamp. Motion carried.
- h. WCHA NCR Legislative Breakfast on October 29 2021. R. Hawk mentions this breakfast is being held at the Holiday Inn, in Stevens Point. Inviting all Federal, State, Local legislators to attend if anyone is interested in attending. R. Hawk needs to know by October 8th.

8. PARKS AND FORESTRY

- a. Parks & Forestry staff reports. C. Schooley mentions that he is researching the "reservation only" option within our campgrounds. This will be very beneficial to all involved including the customers and the employees. He is also working with IT in getting a WIFI connection at each campground as well so it is not an obstacle to make reservations. C. Schooley also discusses the cameras within the parks. He did move forward and looked at different funding sources. He does have a 4-camera system installed at the Red Sands Beach area. It is already a huge benefit already as we are finding vandals in the act.
- b. Special Use permits. None
- c. Goose control in Parks. This continues to be an issue in all of our parks. C. Schooley is proposing a goose round up. There are a few options to where the meat would go. There are other non-death options but are time intensive and most do not work well. If the county wishes to do a goose round up, they would need to do a presentation by the individuals for the public to review and ask questions. The Health Department is here to discuss how the goose feces effects the water and how the testing works. The City of WI Rapids did a goose round up in the past and it has worked very well and gone smooth. There is a cost to this, which is approximately \$3k. Our cost may be a bit higher due to having multiple locations. C. Schooley is looking at South and North Parks. Motion to set up this presentation at next month's HIRC meeting by USDA, APHIS, Animal and Plant Health Inspection Service by A. Breu and second by L. Thao. Motion carried. F. Schubert gave a review on his timber sale progress.
- d. 2022 Budget. The LTE changes are in the changes brought in front of the committee, which are based off the old rates for our LTE's. C. Schooley brought forward and handed out updated information. Page 1 shows budgeted and actual Tax Levy information back to 2017, which shows our Tax Levy dollars are reducing over time. C. Schooley reviewed the changes that were made to the current budget. The change to the budget that C. Schooley is proposing would be an increase of \$12,426 if the new LTE wage scale were approved. E. Newton, the Finance Director states we can make those financial changes regarding the LTE positions. Motion by D. LaFontaine and second by L. Thao to give the department head the flexibility to move within the pay ranges as he sees fit and to approve everything on page 27 of the packet regarding wages and flexibility. Also, increase the budget \$9500 for security cameras by D. LaFontaine and second by J. Hokamp. Motion carried. The Parks Department should keep track of these costs for possible reimbursement.

- e. Wood County Forest 15-year Comprehensive Land Use Plan. Plan is all drafted. Had open house public meeting, on August 30, 2021, at Nepco Park shelter, which was not well attended by the public. Thirty-day public comment period ends September 6th. We will be sending draft plan to DNR County Forest Specialist for review. It is likely there will be some edits/corrections because of the review. Finally, depending on return from DNR, in November the corrected draft will be brought back to the committee and then to the County Board with a resolution for final approval.
- f. Parks and Forestry revenue reports. Reviewed and accepted.
- g. Parks & Forestry vouchers **Motion to approve vouchers by D. LaFontaine, second by J. Hokamp. Motion carried.**
- 9. Future Agenda Items. Fall Tour. This will be scheduled for October 7, 2021 at the Wood County Highway Dept. There will be an 11:30 start time for the HIRC meeting and presentation by individuals for goose round up. Begin tour at 8am, lunch and meeting at noon and then continue tour.
- 10. Set next regular meeting date: October 7, 2021 at 9:00 am at Wood County Highway Department, 555 17th Ave North, Wisconsin Rapids, WI 54495
- 11. Adjournment J. Hahn declared meeting adjourned at 10:10 am.

Wood County WISCONSIN

OFFICE OF HIGHWAY COMMISSION

Roland Hawk
COMMISSIONER

October 7, 2021

To: Highway, Infrastructure & Recreation Committee

From: Roland Hawk, Highway Commissioner

Subject: Commissioner Report for October 7, 2021 HIRC meeting

Department Activities

Personnel

Two mechanics started on September 27. Highway currently has no vacant positions.

There has been a significant number of highway staff during the month of September who have been impacted by COVID. The Department has had to make adjustments to its work schedule to accommodate for a reduced work force.

Highway/Facility Projects

Work on CTH N bridges (2) (CTH F – CTH S) was completed in mid-September. Paving of CTH N should be completed by mid-October and open to traffic.

Work at the Marshfield site to construct a State & a County salt shed has progressed extremely well. The State salt shed walls, trusses, and roof sheeting have been installed. The roof shingles are expected to be completed by October 8. Doors, electrical power, asphalt floor, and doors are scheduled to be installed by October 22. Completion for the State shed is scheduled for October 29.

Work on the County salt shed is approximately 2 weeks behind the State shed. The County salt shed is anticipated to be completed by November 5.

A third coordination meeting between WC Highway, WC Sheriff & City of Marshfield Public Works staff to review study materials for a shared campus at the Marshfield Highway facility was conducted on September 29 at Marshfield City Hall. This study has developed numerous options for combining the three departments on one site. The study demonstrates the benefits of sharing a facility, materials, and amenities. A final assessment will be shared with HIRC & Public Safety Committees, as well as Marshfield Public Works & Common Council.

Engineering staff continue to work on the design phase for the CTH U corridor from South Biron Drive to Huffman Road, in the Village of Biron. Meetings and several correspondence occurred from early August through September to identify options for reconstruction of CTH U (Eagle Road). Alternatives will be available for Public review later in 2021 or early 2022.

Engineering staff have been coordinating with WisDOT on realigning CTH BB and US 10 intersection near the Nasonville Dairy. WisDOT is in agreement with moving the intersection to a safer location

further west. Details will be available in early 2022 for a project to be scheduled in late 2022 or early 2023. This is a change to the five (5) year construction plan.

Plans for CTH X between STH 54 and STH 73 will be advertised in late 2021 for bids. WC Highway will work with Ho-Chunk BIA Roads to cost share on paving, however the reconstruction of the subgrade will be mostly funded through the WisDOT Supplemental (CHiP) program. This work will be performed in 2022.

Highway Maintenance

Due to a severe reduction in staff during September and the need to complete the construction of the State Salt shed in Marshfield, very minimal highway maintenance has been completed in September. Crews have performed some crack filling on State Highway 54 as directed by WisDOT and crews have performed some bridge deck polymer overlays.

ATV Plan/Development

No work has been conducted on ATV signing project in September. Work will resume in 2022 when funds are available.

Policy

WCHA has conducted a review and revised the WCHA Utility Accommodation Policy in 2021. Commissioner Hawk was involved with the revisions and is recommending Wood County to adopt the WCHA Utility Accommodation Policy. This policy closely resembles the WisDOT Utility Accommodation Policy.

Having a uniform policy will provide the county with clear and consistent standards for utilities to follow and provides County Crews uniform practices for enforcing a utility policy. Wood County will have flexibility in fee assessment, schedule & time enforcements, and can modify certain sections that do not have relevance to Wood County.

Accounting Supervisor Report

By John Peckham, Wood County Highway Department Accounting Supervisor HIRC Meeting

Revenues

Revenues are as anticipated in most areas.

LRIP revenues are down because we were unable to construct CTH X. Bituminous revenues appear to be a bit low, as well, likely for the same reason. In October, we will receive the final GTA 2020 payment in the amount of \$627,020.56. With county construction projects winding down, State and Local charges are picking up.

Expenses

Expenses are as anticipated.

Expenses to local governments are picking up as we are completing our County projects and moving on to municipals.

<u>Other</u>

I met with the Operations Committee regarding our budget. We are requesting an increase of levy compared to the 2021 budget because we had cut our requests to help the overall 2021 budget. Roland had said at the time that he would be asking for those monies to be put back in our levy.

Parks & Forestry Department Reports

Thursday, October 7, 2021

Director Report, by Chad Schooley

- Continue assisting with new P&F reservation system development process. We have decided to proceed with "reservation only" beginning next season. An informational campaign will occur this off season, and signage will be created to inform campers of the changes.
- Mike Jones, USDA Wildlife Biologist, will be giving a presentation on goose abatement options.
- Participated in the budget meeting held by the Operations Committee.
- I have taken an extensive look at the upcoming vacancy of the Construction Supervisor position. I have decided to make a few changes to the departmental flow chart, and to job descriptions; specifically for the Office Supervisor and the Construction Supervisor positions. I will discuss these changes at the meeting.
- Continue to look into cost estimates for upgrades to the Dexter Dam water level monitoring system. The IT server that hosts this system is end of life. With the server upgrade needed, I am also looking at improving the system to eliminate long term problems that we have had with the program. Depending on costs, we may move forward with these improvements in 2021, or may wait until the 2022 budget season.
- The Consolidated Musky Club had their annual Musky stocking this past month in the Wisconsin River- Biron section. This project was funded with 50% coming from the County Conservation Grant, and a 50% donation from the club.

• Special Use Permits

None at this time

Construction Supervisor Report, by Dennis Quinnell

Construction Projects

- The concrete portion of the Dexter wood fence is completed.
- The lower level remodel of the PB shelter is moving along very well. We expect completion in late October.
- Wood processing will begin shortly in all parks.
- Trail work at the Powers Bluff north property is beginning again.

Maintenance Operations

• Summer maintenance operations are closing and winter operations will begin soon.

Employee Matters

- The LTE's will be dismissed by the end of October.
- The Rangers will work through Octber.
- The position of Construction Supervisor will be open as I am retiring November 5, 2021.

Office Supervisor Report, by Sandra Green

Snowmobile / ATV

- Prepared for the AWSC Snowmobile meeting, first one of the year which was held on September 13th. This took about 8 hours to do as I had to update contracts, easement information, insurance, club listing, etc.
- Rudolph River Rovers was able to have 1.47 miles added to the trail system, that was deemed non-funded in the last review. We worked with the state to have it added back in. We are reimbursed at \$300/mile.
- As time permits, continue to work on updating the ATV Trail/Route System map.
- Working with a Town Supervisor for a snowmobile trail re-route. A lot of work on the County GIS system this month.

Office

- Received an email from the manager at Sandhill Wildlife Area nothing significant changes to
 the property coming in the future. This will adversely affect the standing of the Wood County
 Wildlife area Committee. There is an informational listening session scheduled for October 6th
 at the Outdoor Skills Center so the public can provide their input.
- Sent out a news release, posted on Facebook and our website information regarding the closing of the beaches that we manage.
- Updated website, Travel Wisconsin, Facebook and Instagram with pertinent news.
- We are finally able to have some room to breathe with the camping seasonal winding down a bit. It's now time for hot chocolate and heating blankets and then will be moving onto winter activities that the Parks have to offer.
- Issued and processed violations within our parks.
- Attended a WebEx meeting for the Wellness Committee.
- Posted Wellness information on the bulletin board.
- Began working on fee and informational camping and shelter updates for 2022 and/or when our new reservation system goes live. A lot of things need to be done, updating each picture of each site at each campground, shelter flyers and handouts, policies, etc.
- Assisted Fritz with the completed draft of the 15-year Forestry Plan.
- Preparing for Denny's retirement, wrapping loose ends up.

Forest Administrator Report, by Fritz Schubert

- Timber Sales: Currently 3 active timber sales: scaled wood, job site inspections, routine timber sale administration. Met with logger to discuss temporary closure of ATV intensive use area for two days (October 6 & 7) to facilitate safe logging operations, sale #786.
- Timber sale establishment: Located survey markers, ran property lines and painted blue-line on two timber sales, total distance = 1 mile.
- Planning timber bid for second week of November. Sale should consist of seven tracts for bid.
- Wood County Forest 15-year plan: sent draft chapters to WDNR County Forest Specialist for review.
- Forestry Tech. has been working on project to construct/improve Powers Bluff multi-use trail.
- Forestry Tech. mowed selected forest roads and trails as equipment availability and weather permitted. Also graded portions of forest road/ATV trail with parks and forestry dozer.
- Mowed and cleaned up public shooting range.
- Meetings: WCFA Fall meeting (via zoom), Annual County Forest/DNR Partnership meeting.
