Notice of Parks Opening**

The Wood County Parks and Forestry Department is pleased to announce that the Dexter, North, and South Wood County Park campgrounds, and all other park areas and facilities, will open for the season on Friday, April 30, 2021 at 8am.

As a reminder, camping reservations may be made up to 12 months in advance, but no later than 7 days prior to arrival. Reservations may be made for the entire season of April 30 – October 31. Reservations can be made by visiting the Wood County Parks and Forestry Department's website.

Although we strongly recommend reserving your campsite, campers without reservations may self-register at the campground on the day of arrival. Campsite availability can be found on the campground reservation system.

The ATV campsites at Dexter Park are now reservable. These sites have direct access to the Wood County ATV Route/Trail System.

All shelter buildings will also be available, and can be reserved 12 months in advance.

We encourage you to get out and enjoy our wide variety of outdoor recreational opportunities available throughout our parks and forestry system.
